Simply fill in your 'Memory Jar' on the other page.
Then if you would like to, you can add these flaps on to the front of your jar to make it even more fun!

To add the flaps:

1. Cut out all of the dotted lines.
2. Firmly fold the glue tabs on the solid line.
3. Glue each tab and with it still folded on the line, stick on to each part of your jar.
4. Then when they are all attached, draw on the outside a design for your jar.

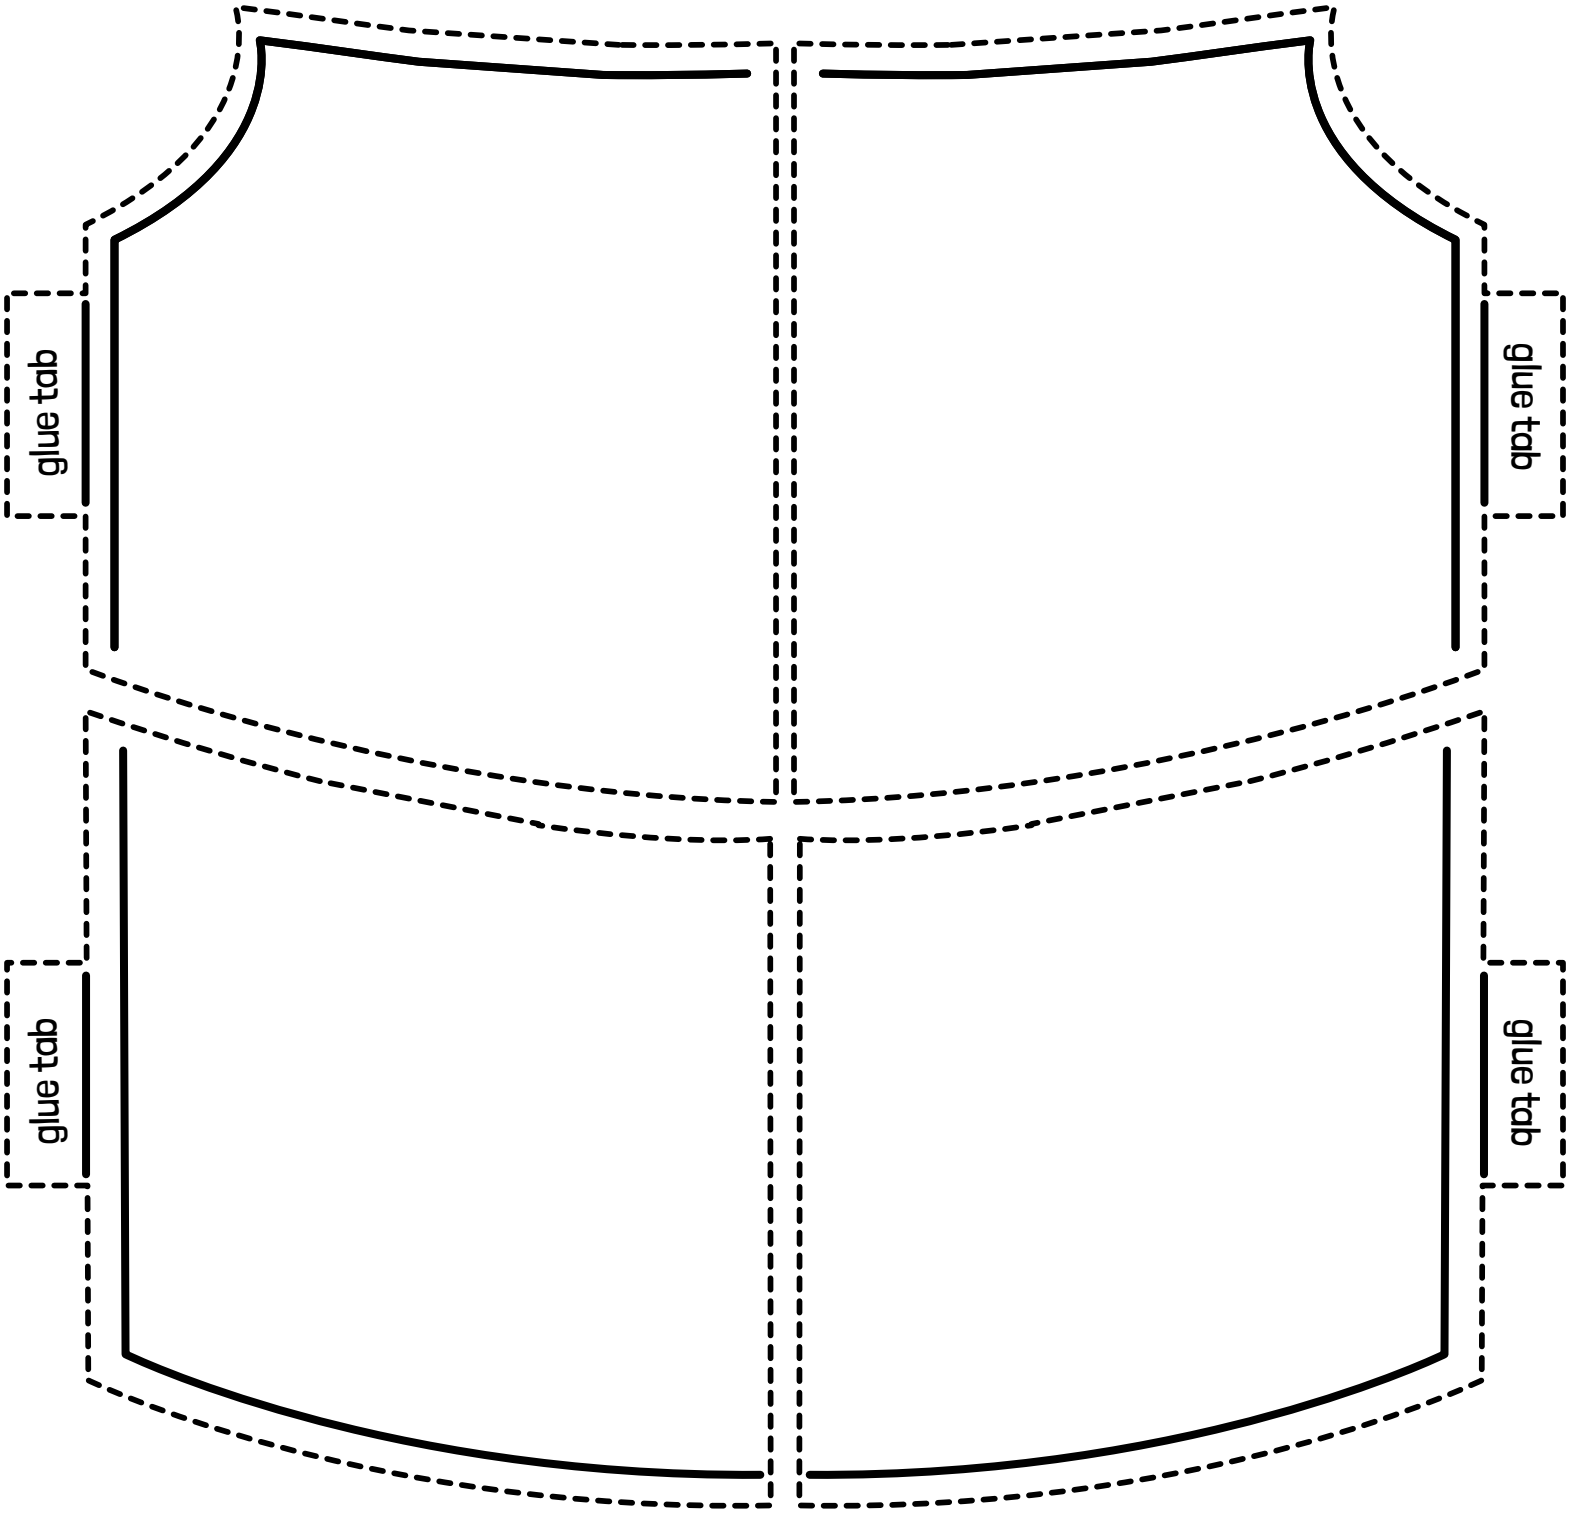

What will you decorate it with?

Pencils? Pens? Glitter? Paint?

What would be inside your dream jar?

Jelly beans? Candy floss? Precious gems? Treasure?

The choice is yours! :)
