

# CHRISTMAS PTA NEWSLETTER

Well, there may be no breakfast with Santa this year, but he will still be coming to visit the school. Mrs Derrer has been working super hard arranging a Teams call with Santa and he will be saying a huge Ho-Ho-Hellooooo to each class during Christmas Jumper day. As he cannot come to the school with treats, he has asked the PTA to kindly send some gifts to the children on his behalf for the teachers to hand out. As all of us on the PTA want to stay on the nice list, we couldn't wait to say yes.

We know a lot of the children will be very sad that they cannot go to the usual annual pantomime this year.

The PTA support this every year and know how special it is for both the children and the staff.

One of our eagle-eyed PTA members has found an online showing of the ever-popular Cinderella pantomime and Mrs Derrer jumped at the chance to give the children some extra festive fun!

It will take place in school time and in their own class bubbles, with a little sweet treat for each child to enjoy during the show.

## Elfridges

This will be kindly run by the school team during early December.

Forms must be back by December 1<sup>st</sup> and gifts will be sent home during December.

£2.50 per gift

If we can find a way, we will still be doing our usual raffle. Instead of lots of small ones during the school plays we will be making a large super amazing hamper as a prize. We will let you know as soon as we can and hope you will support us as you always have.
