

ELFRIDGES CHRISTMAS SHOP

£2.50
per gift

Claverley School PTA are delighted to still be able to offer the children the opportunity to buy Christmas presents for those that mean the most to them.

This year however, things will be a little different. The shop will be run by the teachers and TA's due to restrictions and for their help, we are extremely grateful.

As we cannot accept cash on the day, and to make it easier for the teachers and TA's we have made some changes to how it will work. Please complete the form below as you always have done but **return this by 1st December 2020.**

Payments can either be made directly into the class coloured boxes which are outside the school at drop off and collection time, or can be made direct into the Claverley School PTA account noting on the below form the payment reference used. The PTA will then be able to give the teachers a list of the children, and the people the gifts are for on the day of the shop. Everything else is the same. Your child will be able to choose themselves the gifts they want. All gifts are wrapped and labelled, and the children will be given them during December to bring home.

We are so very pleased this annual tradition can still take place to help raise some much-needed funds for the school. We have missed out on some very large funding events this year and really do appreciate all the support you can give.

Name of Child	Class	Year	Who is the gift for? For example, Grandma	Money Paid
