Coronavirus Symptoms and Covid Tests in the Christmas Holiday

Schools have been asked to assist with Track and Trace during the beginning of the Christmas holiday. We therefore need to ask parents to do the following:

-Ask parents to contact school if your child/children develops symptoms (temperature, new/persistent cough, loss or change in sense of taste and/or smell) over the weekend of 19-20th Dec.

-Ask parents to contact school if your child/children tests positive for coronavirus between 18th – 24th Dec.

If you need to inform the school of a possible, or confirmed coronavirus case, please email using head@claverley.shropshire.sch.uk

If we are notified of a positive case during the beginning of the Christmas holiday, then we may be asked by PHE to pass on advice regarding isolation procedures and we will be doing this via email.

If you are contacted during the Christmas holidays by school and advised to isolate, and have any questions, then the advice is to contact Shropshire Public Health on 0344 225 3560 (option 2) or 01384 679 031 (out of hours).

Thank you for your cooperation with these procedures.

J. Derrer
