## 26th February 2021

Dear Parents and Carers,

I hope that you have seen the measures and routines that are in place to ensure our school is as safe as it can be for the return of all pupils. Hopefully you have received the email with the reminders as the measures are similar to the autumn term. One difference is that primary school staff must now wear face coverings in corridors and communal areas so please share this information with your child. The Risk Assessment is on the website.

In the operational guidance from the DFE it, it also states that we should remind parents about not gathering at the school gate or coming on site without an appointment. Please email or call the office if you have any queries. Thank you for your continued support with this.

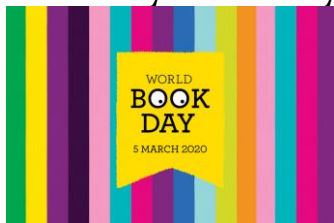

We will be returning to a full curriculum for all pupils and through this, will be re-assessing them to identify any gaps in learning. We will be using funding from the catch-up premium to support children where the need is identified. The planned spending of the premium is on the website on the Covid-19 page.

Super Sewage

Don't forget the live lessons next week beginning on Monday 1<sup>st</sup> March. There is a post on the website with information and links for each class. You should have received the password in an email bulletin from the website.

World Book Day - Thursday 4<sup>th</sup> March

Whether you are in school or at home, you can dress up as a book character or get comfy in your pyjamas! Join your class Teams meeting and share a book and listen to a story. Please check your emails for the times!
