

A. Outline of activity or task to be assessed: Managers to use these generic controls to assist in documenting their local approach to the use of offices/buildings.

Form No.
Feb 2021

Group/Service Area: **Claverley CE Primary**

Work Activity

Working in the Schools during
Covid19 Pandemic

Workplace/Team: School

Date of Assessment: 3rd July 2020/updated Oct 2020/Updated Jan 2021/ Updated 26.02.21
Ongoing

Date for Re-assessment

Name of Assessors: Jo Derrer/J. Mottram
Manager: Governing Body

Signature:
Signature:

Hazard is something with the **potential** to cause **harm**. **Risk** is the **likelihood** of someone being hurt multiplied by the **severity** of the occurrence.

Level of risk = likelihood x severity

B. Risk Matrix – This section is used for guidance to complete section C.

5 x 5 RISK ASSESSMENT MATRIX

Increasing consequence or severity ↑	5	5 low	10 med	15 med	20 high	25 high
	4	4 very low	8 low	12 med	16 med	20 high
	3	3 very low	6 low	9 low	12 med	15 med
	2	2 very low	4 very low	6 low	8 low	10 med
	1	1 very low	2 very low	3 very low	4 very low	5 low
		1	2	3	4	5

Increasing likelihood or probability →

PRIORITY OF ACTION

- High 17 - 25** Unacceptable – Stop work or activity until immediate improvements can be made.
- Medium 10 – 16** Tolerable but need to improve within a reasonable timescale, e.g., 1-3 months depending on the situation.
- Low 5 - 9** Adequate but look to improve by next review.
- Very Low 1 – 4** Residual risk acceptable and no further action will be required all the time the control measures are maintained.

Score	Likelihood / Probability	Description	Score	Consequence/Severity	Description
5	Very likely / Almost certain	Event is expected to occur in most circumstances	5	Catastrophic / Severe / Fatality	Death or permanent disability to one or more persons
4	Likely	Event will probably occur in most circumstances	4	Major injury / ill health	Hospital admission required, eg, broken arm or leg
3	Fairly likely / Possible	Event could occur at some time	3	Moderate (over 7-day injury)	Medical treatment required, over 7-day injury
2	Unlikely	Event is not likely to occur in normal circumstances	2	Minor injury / ill health	First aid is required
1	Very unlikely	Event may occur only in exceptional circumstances	1	Insignificant / no injury	Injuries not requiring first aid treatment

Updates from 28th August DfE Guidance

Updates from 17th September DfE Guidance

Updates from 12th October Government Tier Guidance

Updates from 5th Jan

Updates from 25th Jan – lateral flow testing

Updates from 8th March – DfE Operational Guidance

C. Use information from section B to identify level of risk for each hazard

What are the Hazards?	Who might be harmed and how the hazard could cause harm	What are you already doing? (Existing Controls)	Risk Level Low/Med/High	What further actions are necessary	Residual Risk Level Low/Med/High	Action	
						Who	When
1. Unprevented spread of Covid 19 due to lack of social distancing	Staff, pupils	<p>Adhering to the following principles</p> <p>Essential measures include:</p> <ul style="list-style-type: none"> • a requirement that people who are ill stay at home • robust hand and respiratory hygiene • enhanced cleaning arrangements • active engagement with NHS Test and Trace • formal consideration of how to reduce contacts and maximise distancing between those in school wherever possible and minimise potential for contamination so far as is reasonably 	Med/High	Further actions will be determined through weekly review of Risk Assessment.	Low	JD/AP/JB	By 8.03.21

practicable

How contacts are reduced will depend on the school's circumstances and will (as much as possible) include:

- grouping children together
- avoiding contact between groups
- arranging classrooms with forward facing desks (Year 1 onwards)
- staff maintaining distance from pupils and other staff as much as possible

Specifically:

Prevention:

1. Minimise contact with individuals who are unwell by ensuring that those who have coronavirus (COVID-19) symptoms, or who have someone in their household who does, do not attend school

2. Ensure face coverings are used in recommended situations where social distancing between adults is not possible e.g. corridors and communal areas.

3. Face Coverings will be required indoors from any non-regular visitors e.g. social workers. Regular visitors may wear face mask should they so wish.

Regular visitors will be required to wear face coverings

4. Smaller, high traffic, rooms (e.g. staff room and

offices) will have room capacity limited to 5 persons and this is displayed. Adults are advised to stay out of the office as much as possible. Drop box placed outside the door. The intercom is used to speak to visitors when possible.

3. Clean hands thoroughly more often than usual. Hand sanatisers are available in all classrooms.

4. Ensure good respiratory hygiene by promoting the 'catch it, bin it, kill it' approach

5. Introduce enhanced cleaning, including cleaning frequently touched surfaces often, using standard products such as detergents and bleach

6. Minimise contact between individuals and maintain social distancing wherever possible

7. Where necessary, wear appropriate personal protective equipment (PPE)

8. Keep occupied spaces well ventilated

In specific circumstances, we must:

8) Ensure individuals wear the appropriate personal protective equipment (PPE) where necessary.

9) Promote and engage in asymptomatic testing, where available.

Response to any infection

			<p>9. Engage with the NHS Test and Trace process</p> <p>10. Manage confirmed cases of coronavirus (COVID-19) amongst the school community</p> <p>11. Contain any outbreak by following local health protection team advice</p>						
--	--	--	--	--	--	--	--	--	--

			<ul style="list-style-type: none"> • Headteacher & Lead Teachers available at all times. • Keep staffing arrangements / timetables as consistent as possible. • Children will not change classes for lessons (e.g. phonics, maths) • Where staff rotations are used, TAs, staff will move rather than children, unless a lesson is to be carried out in Hall or Outside. • Staff who rotate around multiple classes (e.g. for PPA) will try and keep their distance from pupils and other staff as much as they can, ideally 2 metres from other adults. 					
2	Catching or spreading Coronavirus – General considerations	Staff, pupils Parents, carers, visitors	<ul style="list-style-type: none"> • Staff, who opt-in, will participate in Rapid Testing using LFD tests, following the protocols in the guidance, to identify asymptomatic cases. • Minimise contact with individuals who are unwell by ensuring that those who have coronavirus symptoms, or who have someone in their household who does, do not attend childcare settings, schools or colleges • Instruct all users of need to keep a social distance of 2 metres (reminder with signage) • Staff to wear face coverings in communal, non-teaching areas. Face coverings will be required to be worn by staff in corridors, the hall (if not eating), the staffroom (if not eating) and outside if not teaching. • Instruct all users (visitors) of need to wear a face mask around school site during drop-off and collection times. Teaching staff have visors for use with groups. • Face visors or shields should not be worn as an alternative to face coverings in communal, non-teaching areas. 	Med/ High	<p>Updates to parents via Weekly Newsletter with reminders of procedures</p> <p>Regular reminders to staff.</p> <p>Further actions will be determined through</p>	Low	JD/JB/AP	By 8.03.21

			<ul style="list-style-type: none">• Clean hands more often than usual - wash hands thoroughly for 20 seconds with running water and soap and dry them thoroughly or use alcohol hand rub or sanitiser ensuring that all parts of the hands are covered• Clean hands more often than usual					
--	--	--	--	--	--	--	--	--

			<ul style="list-style-type: none"> ○ On arrival at school ○ After play ○ Before and after food ○ After using shared equipment ○ Before leaving for home • Ensure good respiratory hygiene by promoting the ‘catch it, bin it, kill it’ approach • Clean frequently touched surfaces often using standard products, such as detergents and bleach • Minimise contact and mixing by altering, as much as possible, the environment (such as classroom layout) and timetables (such as staggered break times (for details see below) • Review fire safety arrangements, including emergency evacuation routes to maintain social distancing where practicable. • Daily cleaning each day - All frequently touched surfaces, equipment, door handles and toilets used during the day will be cleaned thoroughly each day. • Daily clean Clean of touch points e.g. door handles, dinner tables, etc. at 1.00pm • Spot cleaning at lunchtime • Hand Sanitiser station in foyer and outside Blue/Orange class. • Children wash hands in toilets or classes • Handwashing facilities with Soap and water are available in all classes and toilet areas. • Classrooms should be well ventilated– as described within the latest guidance. Classes should be well- ventilated and a comfortable teaching environment is maintained. Windows should be open to provide constant background ventilation and opened more fully during breaks. 		<p>weekly review of Risk Assessment.</p>			
--	--	--	---	--	--	--	--	--

- Each classroom is provided with lidded bins and tissues.
- Children cannot be expected to socially distance 2m apart. Staff have been reminded of need to maintain distance or wear a visor for group work.
- All tables for Year 1 to Year 6 pupils to face front. Tables for Year 1 to Year 6 children positioned to prevent face to face contact where possible.
- No whole school assemblies will take place (virtual via Teams)

Avoiding contact with anyone with symptoms

- Follow latest Guidance and **latest Flowchart**
- Guidance have been provided to parents in relation to this.
- Parents to be provided with reminders via newsletter and website – website page created
- School office hatch is remaining closed at all times.
- No visitor in the office at all unless with prior appointment. Only one parent/caller in the foyer

at a time.

- Appropriate signage displayed around site.

Frequent handwashing and good respiratory practices

- Children wash hands more frequently e.g. arrival, after play, before lunch, before home time (as mentioned above).
- Children taught about the need for good respiratory practice and of social distancing.
- Handwashing facilities are limited in class bases due to design of site.

Regular Cleaning of Setting

- Setting is subject to daily clean.
- Contact points cleaned at lunchtimes.
- Clean between lunchtime sitting.
- Shared IT devices cleaned.

Minimising contact and mixing

- Children and attached adults stay within cohort/s and groups “where possible”.
- Avoiding contact between groups
- Arranging classrooms with forward facing desks (Y1 to Y6)
- Staggered arrival, play, lunchtimes.

Sharing of resources

- A selection of playtime equipment is available for

each group. This will not be shared between groups.

- Daily wipe down of equipment (inc. playtime equipment) if shared.
- Equipment is quarantined for 72 hours if shared between classes where this can't be cleaned.
- Shared IT equipment subject to wipe down.

Childcare

- Before and After-School care returns.
- Children are kept in bubble groups.

Social distancing for adults

- Staff to have lunch at the same time as their teaching group if using the staffroom.
- Maximum number (of 5 members of staff) in the staffroom to allow for social distancing
- Staff to minimise the amount of time spent within shared, communal areas e.g. staffroom, as much as possible

School events (assemblies, etc)

- There will not be any 'whole school' gatherings.
- No Open the Book assemblies until further notice.

		<ul style="list-style-type: none"> • Events which attract large gatherings will be suspended (Harvest, Parents Evening, etc.) • Virtual assemblies and events where/when possible <p><u>Cashless System</u></p> <ul style="list-style-type: none"> • Parents informed that they will need to make school purchases online via Parent Pay. <p><u>Marking</u></p> <ul style="list-style-type: none"> • Staff to keep marking brief (in line with the school's Marking Policy) and should be completed, where possible, in school. <p><u>Uniform</u></p> <ul style="list-style-type: none"> • Parents have been reminded of need to ensure that uniform is laundered regularly. Children to be allowed to wear PE/warmer clothing in classrooms. <p><u>Clinacillay Vulnerable inc. Pregnant Women</u> Alerted staff to advice in relation to pregnancy.</p> <p>A separate risk assessment should be completed for all these staff.</p> <p>Where schools apply the full measures in this guidance the risks to all staff will be mitigated significantly, including those who are extremely clinically vulnerable and clinically vulnerable. We expect this will allow most staff to return to the workplace, although we advise those in the most at risk categories to take particular Care.</p>		<p>Complete RA for staff who are clinically vulnerable pregnant.</p>			
--	--	---	--	--	--	--	--

			Separate Guidance and advice for those who are clinically-vulnerable, including pregnant women is available.					
3	Maintaining Social Distancing at School	Staff including cleaning and catering staff, pupils, Visitors. contractors	<ul style="list-style-type: none"> The school has carefully considered how we can make provision work alongside their wider protective measures, including keeping children within class bubbles where possible. These will be: <ul style="list-style-type: none"> Classes Buses Before and After-school club Extra-curricular activities Peripatetic lessons <p>Records will be kept of membership of bubbles for the purpose of tracking and tracing.</p> <p><u>Drop-off</u></p> <ul style="list-style-type: none"> Time - 8.45am – 9.00am (5mins stagger time) Parents wait with their child in separate spaces.. Car park vehicle gate closed to vehicles from 8.40am to prevent the movement of cars to ensure safety of parents. 2 metre markings (tape) on the paths to enable parents to observe social distancing measures. Parents and duty staff to wear face masks. Parents (Yellow, Red and Blue) drop their child off from carpark area. Green class parents take their children to the classroom door. <p>Blue – Arrive: 8.45am/ Depart: 3.10pm Red – Arrive: 8.50am/ Depart 3.15pm Yellow – Arrive: 8.55am/ Depart 3.05pm Green – Arrive 9.00am/Depart 3.00pm</p>	Med/High	No further action at this point. Further actions will be determined through weekly review of Risk Assessment. Updates to parents via Weekly Newsletter with reminders of procedures.	Low	JD/JB/AP	By 8.03.21

			<p><u>Signage</u></p> <ul style="list-style-type: none"> Information provided to guide parents to drop-off and pick-up arrangements. <p><u>Breaktimes and Playtimes</u></p> <ul style="list-style-type: none"> Playtimes organised as follows: <table border="1" data-bbox="667 491 1404 678"> <thead> <tr> <th>Time</th> <th>Who</th> <th>Where</th> </tr> </thead> <tbody> <tr> <td>10.00-10.15</td> <td>Green Class</td> <td>Main playground</td> </tr> <tr> <td>10.15- 10.30</td> <td>Yellow Class</td> <td>Main playground</td> </tr> <tr> <td>10.30-10.45</td> <td>Red Class</td> <td>Back playground</td> </tr> <tr> <td>10.30-10.45</td> <td>Blue Class</td> <td>Main playground</td> </tr> </tbody> </table> <ul style="list-style-type: none"> Attached staff supervise their own groups. Afternoon daily dash is arranged by teachers to avoid groups mixing. Staff to limit the use of toilets between cohorts Individual Class first aid records to be issued <p><u>Assembly</u></p> <ul style="list-style-type: none"> Virtual whole school assembly will take place 	Time	Who	Where	10.00-10.15	Green Class	Main playground	10.15- 10.30	Yellow Class	Main playground	10.30-10.45	Red Class	Back playground	10.30-10.45	Blue Class	Main playground		<p>JD/JM on duty daily to monitor drop off arrangements.</p>			
Time	Who	Where																					
10.00-10.15	Green Class	Main playground																					
10.15- 10.30	Yellow Class	Main playground																					
10.30-10.45	Red Class	Back playground																					
10.30-10.45	Blue Class	Main playground																					

on Monday and Friday at 10.50am

Lunchtimes

- Lunch sittings operate as follows:

	11.50-12.20	12.35-1.00	12.40-12.55
IN HALL	Green class Yellow class	Red class	Blue class
OUTSIDE (rota for playgrounds)	12.00pm- Blue class 12.05- Red class	12.20 Green and Yellow outside	

- Hall will be divided into two with a 2 metre gap between classes.
- Children will sit facing from a distance and back-to-back from the other class.
- To limit congestion in the corridor, each class will enter and exit the hall through the following routes:
 - Green will enter via the corridor and exit the hall via orange room
 - Yellow will enter and exit via the corridor.
 - Red class will enter and exit via the corridor and Blue through orange room.

- Staff to wear a face covering in the Hall (unless eating)
- A system (if required) to be put in place by individual classes e.g. Coloured Bands to limit the use of toilets between cohorts
- First Aid to be carried out outside as much as possible. However, incidents requiring close contact and close attention will occur in the library and treated with the staff member (on duty – on rota) wearing PPE, if required.
- First Aid guidance issued in the staffroom

End of Day

- Parents distanced space to collect children from the locked carpark area.
- Parents encouraged to social distance outside
- Order of release from Classrooms:
 1. Bus and after school children to the Hall
 2. Pupils being picked up by parents/carers through staggered times. Siblings are sent with family groups.
 3. Children participating in an Extra-curricular club

Transport

- The school has liaised with Passenger Transport and school transport providers in relation to

transport

- Latest guidance from Government and DfE to be adhered to
- Parents have been encouraged to drive their children to school.

Arrival at school:

Taxi drivers will supervise children from the taxi to the entrance. Children wait in the hall in groups – supervised by a member of staff

Departure from school:

Children travelling on a taxi will meet in the school hall

Children will line up in taxi order against each 'bus stop' - socially distanced with buses separated.

Duty members of staff will accompany each taxi through the library door to the taxi.

Meetings

- All governors meetings have been agreed to be held online until further notice.
- Staff meetings take place in a classroom/room which allows for social distancing and ventilation each week, or virtually.
- Staff and other meetings will be carried out in the hall to allow for greater social distancing and staff to wear face coverings unless meetings can be carried out virtually.
- The school council is suspended until further notice

			<p><u>Music Lessons</u></p> <ul style="list-style-type: none"> DCMS/Music Mark Safer Singing guidance to be followed when music lessons are delivered and taught. <p><u>Individual Music Lessons</u></p> <ul style="list-style-type: none"> Peripetetic Teachers can engage with school 					
4	Reduce mixing within education or childcare setting by:	Staff, pupils, visitors	<p>Controlling movement around the school</p> <ul style="list-style-type: none"> School operates a 'one-way system' around the corridors. The space limits the possibility of physical barriers as implementing these would create further hazards. (e.g. fire escape routes). To reduce corridor traffic, group times have been staggered in relation to <ul style="list-style-type: none"> Drop-off time Breaktime Lunchtime Hometime Staff room limited to 5 at a time. 	Med/High	<p>No further action at this point.</p> <p>Further actions will be determined through weekly review of Risk Assessment.</p> <p>Updates to parents via Weekly Newsletter with reminders of</p>	Low	JD/JB/AP	By 8.03.21

			<p>Controlling access to the school:</p> <ul style="list-style-type: none">• The school office is closed.• Visitors to the school is by appointment only and only where meetings cannot be held in other forms.• Where visitors are in the foyer, only one person is in the office at a time.• The school office glass panel will remain closed at all times• The school has suspended the use of visitor badges. A record is kept of all visitors <p>For shared play space:</p> <ul style="list-style-type: none">• Playground Rota in place. Groups move to one side if another has to go through the main playground to enter the school. <p>For shared rooms:</p> <ul style="list-style-type: none">• Shared areas: orange and hall to be sprayed down after use.• Staff meetings held in classroom or virtually <p>Reduce the use of shared resources:</p> <ul style="list-style-type: none">• iPads cleaned after use.• Play Equipment limited to each cohort.		procedures			
--	--	--	--	--	------------	--	--	--

			<ul style="list-style-type: none"> Follow AFPE guidelines in relation to decontamination https://www.afpe.org.uk/ shared with key staff Children use a clear, named pencil cases of individual everyday stationery items Children are discouraged from bringing unnecessary items to school (toys and items from home etc.) Children are allowed to bring lunch boxes, hats and coats, books and one bag. Shared materials and surfaces cleaned and disinfected more frequently. Tubs of resources for individuals if needed – e.g. maths cubes, etc Items to be cleaned after use. Where this is not possible, they should be quarantined for 72 hours. Practical lessons can go ahead if equipment can be cleaned thoroughly and the classroom or other learning environment is occupied by the same children or young people in one day, or properly cleaned between cohorts Food Tech is suspended 					
5	Managing Customers, Contractors and visitors	Staff including cleaning and catering staff, pupils, Visitors. contractor	Contractors <ul style="list-style-type: none"> School encourages visits via remote connection/working where this is an option. Where site visits are required, site guidance on social distancing and hygiene is explained to visitors on or before arrival. Hand Sanitser is available in school office Limit to 2, the number of visitors at any one time. 	Med/High	No further action at this point. Further actions will be determined through	Low	JD/JB/AP	By 8.03.21

		S	<ul style="list-style-type: none"> • Limit visitor times to a specific time windows and access restricted to required visitors only. • Schedules determined for essential services and contractor visits can be revised to reduce interaction and overlap between people. (e.g. PHS) • School maintains record of all visitors. • Use of visitor badges is suspended. <p>Parents, Visitors and Meetings</p> <ul style="list-style-type: none"> • School has provided clear guidance on social distancing and hygiene to people on arrival, for example, signage or visual aids and before arrival, for example, by phone, on the website or by email. • Entry and exit routes for visitors and contractors to minimise contact with other people established. • Where meetings have to take place, this will occur in the hall or orange room • Have established drop-off/collection to reduce congregation where one way is not possible. • Parents to contact teachers via email/phonecall or make an appointment to see Teachers if required 		<p>weekly review of Risk Assessment.</p> <p>Updates to parents via Weekly Newsletter with reminders of procedures.</p>

Home Learning continues for all year groups. Home Learning, where required will be integrated into school curriculum planning</p> <p>The school will plan to ensure any pupils educated at home for some of the time are given the support they</p>	Low	<p>No further action at this point.</p> <p>Further actions will be determined through weekly review of</p>	Low	JD/JB/AP	By 8.03.21

		<p>need to master the curriculum and so make good progress.</p> <p>Prioritisation within subjects of the most important components for progression is likely to be more effective than removing subjects, which pupils may struggle to pick up again later. In particular, the schools will consider how all subjects can contribute to the filling of gaps in core knowledge, for example through an emphasis on reading and writing. (e.g. Foundation subject will be biased towards literacy and numeracy-based activity).</p> <p>The school may consider it appropriate to suspend some subjects for some pupils in exceptional circumstances. In this case, the school should be able to show that this is in the best interests of these pupils and be subject to discussion with parents during the autumn term. The school will develop a coherent plan for returning to their normal curriculum for all pupils by the summer term 2021.</p>		Risk Assessment.

D. Safe Systems of Work to be outlined below by using the information in Section C once completed:

- All staff to be given sufficient information\training to be able to work safely and where practicable maintain the 2m distancing protocol.
- Additional measures will be necessary if dealing with shielded and clinically vulnerable children and young people see [COVID-19: guidance on shielding and protecting people defined on medical grounds as extremely vulnerable](#) for more advice.
- Or clinically vulnerable adults see [Staying at home and away from others \(social distancing\) guidance](#)
- Continue monitoring and review risk assessments and other health and safety advice for children, young people and staff in light of

recent government advice, identifying protective measures (such as the things listed above)

- Ensure that all health and safety compliance checks e.g. premise, safety and security systems have been undertaken before opening and sufficient staff are available to undertake these tasks See Appendix A for Premise checklist.
- All building equipment is deemed safe to use and has received appropriate checks by competent persons. Including all fire safety related equipment (emergency lights, fire detection equipment, fire extinguishers etc.) passenger lifts, etc.
- Site staff to manage the risk from legionella on site before schools open and then continue the test regimes.
- Lone working in parts of the building is managed – use of radios and regular check in etc. No higher risk activities e.g. work at height to be undertaken unless necessary.

Communication to all parties is essential:

- tell children, young people, parents, carers or any visitors, such as suppliers, not to enter the education or childcare setting if they are displaying any symptoms of coronavirus (following the [COVID-19: guidance for households with possible coronavirus infection](#))
- tell parents that if their child needs to be accompanied to the education or childcare setting, only one parent should attend
- make clear to parents that they cannot gather at entrance gates or doors, or enter the site (unless they have a pre-arranged appointment, which should be conducted safely)
- also think about engaging parents and children in education resources such as [e-bug](#) and [PHE schools resources](#)
- ensure parents and young people are aware of recommendations on transport to and from education or childcare setting (including avoiding peak times). Read the [Coronavirus \(COVID-19\): safer travel guidance for passengers](#)
- talk to staff about the plans (for example, safety measures, timetable changes and staggered arrival and departure times), including discussing whether training would be helpful
- communicate early with contractors and suppliers that will need to prepare to support your plans for opening for example, cleaning, catering, food supplies, hygiene suppliers
- discuss with cleaning contractors or staff the additional cleaning requirements and agree additional hours to allow for this

Appendix A

The following checklist has been prepared to guide premise managers. It is aimed at identifying actions that need to be taken to make the building and site safe. Within the checklist are items that have statutory duties attached such as examination, inspection, maintenance, servicing and testing. All of these will have been managed before the lockdown and should have been continued even though buildings have been closed or partially open.

It is essential that compliance is achieved before reoccupation.:

Each building should have an identified person responsible for premise management.

Building / Infrastructure / Systems	Action	Checked	Comments / Defects / Damage
Site: <ul style="list-style-type: none">• Perimeter fencing, hedges, gates etc.• Trees• Waste storage areas and waste bins	<ul style="list-style-type: none">• Boundary integrity• Risk assessments up-to-date; no damage• Secure – waste collection still occurring		
Building: <ul style="list-style-type: none">• Roof (inc. chimneys)• Facias, gutters, downpipes• Walls• Windows• Exterior doors• Door canopies• Paths• Roads, car park, gates / barriers	<ul style="list-style-type: none">• Defects or damage• Doors opening properly with no restrictions• No defects or damage; in working order• Slip or trip hazards (uneven, holes etc.)• 		
Interior: <ul style="list-style-type: none">• Ceilings• Walls	<ul style="list-style-type: none">• No defects or damage likely to affect building users		

<ul style="list-style-type: none"> • • Doors – final exits open (fire, emergency) • Fire doors (close and fit as intended) • Stairs / steps / ramps • Handrails • Floors (floor coverings) • 	<ul style="list-style-type: none"> • Fire Doors checked for fit and opening • No slip or trip hazards 		
<p>Infrastructure:</p> <ul style="list-style-type: none"> • Gas (turned on, no leaks) • Electricity (CB / RCD checks, sockets) • Water system • Heating (boiler etc.) • Ventilation • Kitchens 	<ul style="list-style-type: none"> • Gas supply confirmed; no smell of gas on entering building / room • Check circuit breakers to see if any have tripped; Operate RCD(s) to confirm operation; inspect sockets for damage / overload • Ensure supply; check for leaks; legionella controls (see below) • Boiler operational (heating and hot water) – maintenance and servicing carried out according to schedule • Ensure rooms are ventilated as much as possible. • Check system operation; change filters 		

<ul style="list-style-type: none"> • Toilets / showers • Swimming pools / hydrotherapy pools 	<ul style="list-style-type: none"> • Check all equipment; inspect kitchen and food storage areas for insects / vermin; dispose of food past sell-by date; enhanced cleaning • Enhanced cleaning; legionella controls • Cleaning regime • Follow PWTAG guidance 		
<p>Systems:</p> <ul style="list-style-type: none"> • Fire detection and alarm (see below) • Emergency lighting (see below) • Security • Communications - telephony • IT – WiFi • Pressure systems 	<ul style="list-style-type: none"> • All detectors, call points and detectors operational; weekly testing performed • Battery test to check e-lighting operational • Alarm system working • Phone lines operational • WiFi working • Statutory examination, maintenance and servicing undertaken according to schedules 		
<p>Equipment:</p> <ul style="list-style-type: none"> • IT – computers, monitors etc. • OHP / Whiteboards • Fire extinguishers • Access equipment / ladders • Kitchen equipment – kettles, 	<ul style="list-style-type: none"> • All IT equipment operational and without faults • Equipment in good working order • Serviced annually • Visual inspections for damage / defects • Visual inspections; PAT tests if 		

<p>microwaves etc.</p> <ul style="list-style-type: none"> Lifts (see below) / lifting equipment 	<p>required</p> <ul style="list-style-type: none"> Statutory examination, maintenance and testing completed according to schedule 		
<p>Maintenance, testing and servicing:</p> <ul style="list-style-type: none"> Gas safe certificate EIRC (Fixed wiring) and PAT (electricity) Water (temperature, flushing, cleaning, disinfecting etc.) – see below 	<ul style="list-style-type: none"> Gas safe certificate within date EIRC within date; PA tests completed according to schedule Legionella controls undertaken according to schedule. NB. If controls have not been performed during lockdown a separate procedure must be followed before reopening/ reoccupation. Check with Tim Othen IN THIS CASE. 		
<p>Other Areas:</p> <ul style="list-style-type: none"> Science and D&T departments need to be checked by experienced staff and follow CLEAPSS Guidance 	<ul style="list-style-type: none"> Seek further advice from CLEAPSS for practical lessons guidance documents GL344 for further advice on D&T (including food Tech) or GL345 guidance for science departments in a partially re-opened school.
