KS2-A trip to the Nativity

Yesterday, KS2 went on an amazing trip to see the Nativity in Birmingham at the Rep. It was a great trip from the PTA and it was incredible.

After an early lunch, Red class and Blue class set off on a long journey. I was so excited; I couldn't wait. We finally got there, and headed off to get seated.

Once we got to the theatre, we were waiting for the play to start. I saw loads of bright lights of the Nativity sign, and listning to the up beat Christmas songs before.

As soon as the curtains lifted, everybody stopped talking and paced the amazing set. It started with a catchy song with a great dance there was also lots of wonderful costumes.

The Highlight of the show was when everyone was climbing out of the present. All the stunts was amazing; everything was coming out of the ceiling like the Gold glitter at the end. And the children were fantastic, so full of engray.

My favourite charater was Mr Poppy, he was so postive at bad times and so up lifting with everyone. Mr Poppy was played by Ben Lancaster.

At the end of the show, all of the cast came on the stage. There was a last song where everyone came for thier curtain call. Unportantly, we had to leave the Rep and go on our journey back home. It was over an hour because of all the traffic, but that didn't change anything; the trip was fantastic. Thank you PTA for this treat!
